Progress Report

Name: Gabriel Gorospe

Course: Solving Ordinary Differential Equations with MATLAB

Progress: **100%** complete (as of 02 March 2023)

Chapters

1. Introduction **100%**
2. What is an Ordinary Differential Equation? **100%**
3. Solving ODEs Numerically **100%**
4. Solving Systems of ODEs Numerically **100%**
5. Solving Higher-Order ODEs Numerically **100%**
6. Next Steps **100%**

Release: R2022b | Language: English
